

RememberAVet.net Wreath Project

Greetings!

It's been a while since we've sent an update on the RememberAVet.net Wreath Project, so this one might be a bit long, but it will have a lot of information! We've been adding many new members to our email group, so just as a reminder, the Wreath Project raises funds to purchase Christmas boughs for each of the veterans resting at the Sacramento Valley National Cemetery in Dixon.

9th Annual Remember, Respect & Honor Motorcycle Run: Once again, the Buckhorn Bar & Grill with the Segovia, Meloy and Garton families are going all out and putting on their annual bike run! Coming up Sunday, November 14th, all riders are invited to join in this popular fundraising event. Please see their attached flier for all the details.

2021 Boughs: Last year we opted to purchase boughs in place of the traditional wreaths we've had in the past, and we will continue to do this going forward. By doing this, we are able to cut our expenses in half, and with group restrictions as they have been, it is the only way we are able to cover the entire cemetery, since our fundraising opportunities have been limited. As a reminder, we fundraise and purchase boughs only for Sacramento Valley National Cemetery. We place the order for only what is needed at SVNC, and because our funding is very limited, we ask that the boughs not be removed from SVNC until closer to the disposal day in January.

Fundraising for 2021: We held our first in-person fundraiser (in a year and-a-half) a few weeks ago and it was extremely successful. We want to thank all who sponsored the event, attended or donated auction prizes...we can't do this without you! We are looking to do another dinner/auction sometime in early spring and will let you know of plans when we have more information.

Donations: Checks are accepted year-round and may be sent to:

RememberAVet.net, PO 773, Winters, CA 95694

or on-line donations at <http://www.GoFundMe.com/f/2021-wreath-project>

With limited fundraising opportunities again this year, and about 28,000 boughs to purchase, we are relying more heavily on individual donations. That's where you can really help! It's more important than ever for you to share our emails with family, friends and co-workers. The more we can spread the word about the Wreath Project and its mission, the more support we get! Thank you for all of your ongoing support and your help to keep the Wreath Project successful in its mission of remembering and honoring our veterans and their families.

Sincerely,

Curtis & Susie Stocking
