Re: Helping Hands

Dear Friends,

It is with sincere joy and a humble spirit that we share with you the impact we have made for the people of Ukraine with the generous support and contributions of our Sacramento community.

Many of you have already contributed countless hours, belongings, and finances to bless those who are in need. Your extraordinary help allowed us to pack and prepare four (4) cargo containers with humanitarian aid (see video below).

We were able to collect and pay for the shipping costs of two (2) containers - \$12,000 (\$6,000 for each). These containers are already en route to a trusted organization in Ukraine that is kept accountable for every item delivered and distributed to those most in need, as promised.

Now, we reach out again to our community to help us meet our immediate goal of \$12,000 to ship the remaining two (2) containers.

If your heart desires, we welcome any amount you can donate through:

- check by mail or local drop off
- electronic payments (PayPal, Venmo, Zelle with note: Ukraine) - photo below

Please make your donations payable to:

All donations are tax deductible. If you would like to be provided with a donation receipt, please provide us with the following information: name, address, phone #, and email (if you wish to receive it by email).

We are forever grateful for your helping heart and pray for Our Lord to abundantly bless you and your family!

Sincerely,

Your friends and neighbors at Second Slavic Baptist Church
