

Best/Worst Days for Hotels

Generally, you'll get your best price for all hotels on Sunday.

For business hotels, the next best nights are Friday and Saturday

For tourist hotels, the next best nights are Monday, Tuesday and Wednesday

Best/Worst Days/Times for Airfares

Best days/times are Saturday, Sunday, Tuesday and Wednesday (lower fares)

The **VERY** best days/times are late Saturday and early Sunday (lower still)

The worst days/times are late Sunday, Monday morning, Fridays (highest fares)

These are general rules, and exceptions are holiday periods and holiday weekends. For holiday weekends, Saturday/Sunday are best. Also the Wednesday **after** the holiday weekend. Special events and festivals can also change the patterns described here.
