January 14, 2025

Dear Wreath Project Supporter,

We are looking for partners to Tee It Up with RememberAVet.net on Friday, May 30, 2025, for a fun day on the golf course for our ninth annual benefit golf tournament. Haggin Oaks Golf Complex, Alister MacKenzie Course, will host our event with an 8:00 AM shotgun start. Immediately following, join us for an awards lunch at the course.

As you may be aware, RememberAVet.net has been raising and collecting funds to purchase holiday wreaths to honor our fallen veterans resting at the Sacramento Valley National Cemetery in Dixon, every December since the opening of the cemetery in 2006. That year 320 wreaths were placed honoring each of the fallen there, and we have been fortunate enough to continue this beautiful tradition of 100% coverage ever since. We are now purchasing beautiful boughs, and an estimated 38,000 boughs will be needed to reach that goal again for the 2025 campaign, where each bough is \$10. We now invite you to join us on our annual mission of the Wreath Project. Your support of this community-based project not only acknowledges the sacrifices of our service men and women, but that of their families as well.

We hope that you will help make this event a success by choosing one of our sponsorship opportunities or joining us for some of the day's festivities. The attached pages detail the options while you consider your sponsorship level. As a RememberAVet.net sponsor, you will be part of a special group reaching thousands with our email database, social media page and website.

If you've never attended the bough placement, we encourage you to do so this year. Seeing thousands of volunteers—all ages—placing boughs in honor of loved ones and strangers alike, is truly a heartwarming experience. It's an amazing sight to see and we look forward to a partnership with you this May to help make the 2025 Wreath Project another successful endeavor. Thank you!

Sincerely,

Melanie Stocking
