Greetings!

Christmas and bough placement time is around the corner and we have some important information regarding this year's placement event included here with volunteer needs:

Call to Action: Help us haul the holiday boughs to Dixon! As is the case every year, our mission is to have 100% coverage of the cemetery each December with the holiday boughs. To make this logistical feat possible, we need to fund three transport trucks at $3,500 each. As an official **Help Us Haul Sponsor**, you or your business will drive this beautiful tradition forward, ensuring our veterans receive the honor they earned. Please reach out to us if you are interested in sponsoring a truck this December.

Early Pick up/Placement: Attached is the flyer with specific details regarding the early pick up/placement for those who would be interested in that. And, while we have held two very successful fundraising events this year, (many thanks to all who participated in any way to help with those!), we are still accepting donations to ensure the entire cemetery will be covered again this year. We do need to finalize our order by the end of November and accept donations year-round. Checks may be made payable to RememberAVet.net and mailed to PO Box 773, Winters, CA 95694 OR you can go online:

https://gofund.me/e48d9a168 OR via Venmo @RememberAVet and contribute that way.

There is also the 14th annual Remember, Respect & Honor Poker Run & BBQ coming up on Sunday, November 8th, hosted by Buckhorn Bar & Grill (Dixon), the Segovia, Meloy, and Lavallee families, with Duncan Real Estate. This year the ride is in Memory of Susie Stocking. All proceeds will go to RememberAVet.net and the Wreath Project. Join the motorcycles and classic cars for this FUNdraiser while helping a great cause! A flyer is attached with all the details here: https://travelguysradio.com/sites/default/files/2026/11/img-0232.jpeg

December Volunteer Needs: Unloading trucks - Friday, December 18th, volunteers will be needed after 3:00 PM to unload the cartons of boughs from trucks as they drive through the cemetery. Please send a text to 707.249.5853 for more instructions if you have a group that can help with this.

Bough Placement: Saturday, December 19th, volunteers of all ages are invited to help with bough placement all throughout the cemetery, starting at 7:30 AM, and continuing until completed. Follow parking instructions as provided by SVNC staff and park nearest the section you would like to help with.

**Volunteers with pick up trucks or trailers will also be needed on December 19th to haul cardboard to on-site collection bins for disposal; this will be ongoing during the placement time and after, if needed.

January Volunteer Needs: Saturday, January 9th – Volunteers of all ages are invited to help with bough and wreath disposal, starting at 7:00 AM. Again, park nearest the section you'd like to help with and go to work! No sign-up necessary….great for fulfilling service hours! Boughs will need to be moved curbside and loaded into pick ups and trailers and hauled to on-site collection bins for disposal. We need volunteers to help move the boughs and those with pick ups and trailers to do hauling to an on-site designated area.

Reminder, all of the events will go on rain or shine.

Many thanks to everyone for helping to support the Wreath Project by contributing and for helping to spread the word about this special community event! This is the 21st Christmas that Sacramento Valley National Cemetery will be honored in this way! Please share with friends, family, neighbors and co-workers! Thank you!

Sincerely,

The Stocking Family
